**ARTUR
TSATURYAN**
FRONT-END DEVELOPER

I have been teaching Front-End Development for over a year to all aged students. And parallel I am working on real projects and looking for new challenges.

EXPERIENCE

2021 - present
Serious Web
FRONT-END DEVELOPMENT TUTOR

- Preparing, executing lesson plans, assigning tasks, and evaluating student work and progress.
- Providing one-to-one teaching experience in the areas of Design Patterns, HTML, CSS, JavaScript, React, Redux
- Assisting with the implementation of instructional plans, and teaching of the course content
- Facilitating group works
- Following up with homework and other assignments, updating assignments, course materials, and attendance records
- Developing and maintaining genuine, positive, and consistent communication with students
- Responding to learners in Slack and calls to answer technical questions learners have as they work through lessons or assignments/projects
