Nazar Telfeyan

Elevator Mechanic | Maintenance & Repair

Beirut Governorate, Lebanon

Summary

With over eight years at Mitsubiti, my tenure as an Elevator Mechanic has honed my skills in maintenance and repair, along with the meticulous installation of elevators and escalators. My role demands a strong mechanical reasoning and a comprehensive understanding of electrical control systems, which are essential for ensuring the safety and reliability of the equipment we service.

The organization values my dedication to following rigorous maintenance procedures and my ability to troubleshoot effectively. Contributing to the smooth operation of sophisticated machinery, we, as a team, prioritize customer satisfaction and uphold the highest standards of service excellence. My technical expertise and commitment have been instrumental in maintaining the integrity of our clients' vertical transportation systems.
