SHAHVERDYAN

Business Development Manager

ABOUT ME

Experienced operations and logistics professional with a strong background in supply chain management, inventory control. Over the years, I have successfully managed warehouse operations, supervised fleet services, and optimized delivery logistics. Skilled in inventory management, team leadership, customer service, and process optimization. I have ensured seamless coordination across different departments and industries. With a proven ability to handle daily operations, resolve challenges, and enhance efficiency, I am committed to delivering high-quality service and operational excellence.

EXPERIENCE

Assistant storekeeper

Feb 2019 - July 2023

Coca-Cola HBCA

- During my time at Coca-Cola HBCA as an Assistant Storekeeper, I was responsible for supporting inventory management, ensuring smooth operations in stock handling, and maintaining accurate records of receiving and outgoing goods. This role allowed me to develop a strong foundation in warehouse operations and logistics, contributing to my growth in supply chain management.

Assistant Manager

March 2023 - Oct 2023

Continental Complex

- As an Assistant Manager at Continental Hotel Complex, I played a key role in overseeing daily operations, ensuring excellent customer service, and maintaining high standards in hospitality management. My responsibilities spanned across multiple departments, requiring strong leadership, organizational skills, and attention to detail. This role allowed me to develop my expertise in hospitality management, refining my ability to handle diverse responsibilities in a dynamic and customer-focused environment.

Delivery Manager

Oct 2023 - Nov 2024

VLV Center

- As a Delivery Manager at VLV Center, I was responsible for overseeing the logistics and delivery operations, ensuring timely and efficient distribution of goods while maintaining high service standards. My role required strong coordination, problem-solving, and leadership skills to manage delivery teams and optimize operational workflows. This role strengthened my ability to manage complex logistics operations, ensuring seamless coordination between teams and maintaining high standards in delivery management.
