PROFILE

I'm Grigor Safaryan, a web developer with 3 years of professional experience. I specialize in a wide range of development: e-commerce, CRM systems, PWA, flow-applications, SaaS-friendly websites, Blockchain DApps, Web3 native websites, Entertainment websites, landing pages and more. I have extensive practice working with various apps as both a full-stack and front-end developer, along with a strong understanding of SaaS, CRM, and SSO.

EXPERIENCE

JAVELIN GROUP - FULL STACK DEVELOPER
